CORRECTION OF RECORD OF TELEPHONE INTERVIEW

Sir:

The Notice of Allowance dated September 5, 2007 was accompanied by Notice of Allowability. On the second page in paragraph 6, the Examiner referred to a telephone interview on September 13th and identified "Dr. Vincent K. Shier" as having provided authorization. In fact, the undersigned, Thomas E. Spath, provided the authorization in a telephone interview on that date. (Dr. Shier is not associated with this firm.)

This correction is submitted merely to assure the accuracy of the record and thereby avoid any confusion in the future on the part of those who may have an interest in reviewing the file history.
